RE: **Award of \$100,000 for Requested Vehicles**

Dear Captain Hedrick and Chief Jegeris,

Your letter request of July 25, 2014, requesting \$282,614 from the Drug Control Fund to purchase 4 Dodge Chargers, 3 Dodge Durangos and equipment for these vehicles has been approved **in the amount of \$100,000**. We are in the process of getting a check for you through the state voucher system for that amount.

We are providing these funds to you pursuant to SDCL 34-20B-64, which requires that these funds or assets be used for drug apprehension purposes. Should you not need the \$100,000 for the vehicles and equipment, the funds will need to be returned to this office and deposited into the Drug Control Fund. Or should you no longer need the vehicles, you will need to return the vehicles to us where they will be re-utilized. Your Department will have to assume responsibility for the upkeep, insurance and any other related expenses upon the vehicles, until they are returned to us.

In response to Government Operations and Audit Committee (GOAC) comments, once you have utilized the award money as indicated above, you will need to send me the paid invoices and receipts for your purchase within 30 days of the expenditure.

I look forward to continue working with your agency. Please don't hesitate to contact me, Bryan Gortmaker or Bridget Mayer for assistance. Keep up the good work in drug enforcement!

Sincerely,

Marty J. Jackley
