

Mayor and Member of the Council:

The Summer Night 2015 permit states that we will use 500 block of 7th Street and alternate the use of the 600 & 700 blocks of Main Street with the 600 & 700 blocks of St. Josephs. We believe will elevate some of the issues regarding the street closure and the parking restrictions, it will also allow us to leave Main Street available to bike parking during the week of the Sturgis Motorcycle Rally. We are aware this may cause issues with traffic and the general public, therefore if the council would prefer that we not alternate we would certainly agree to the use of either St. Joseph or Main Street along with the 500 block of 7th Street. We would also be open to cancelling the event the week of the Rally or seeking an alternative for the week.

The Streets will close to traffic no earlier than 3:00 pm. Cars will not be towed until 3:30. We will work in cooperation with parking enforcement to locate car owners and have them removed. If the event we cannot locate a vehicle owner Summer Nights will tow the car at our expense and have the towing company leave the car in a nearby city parking lot provided space is available.

No vendors or suppliers will be allowed to stage trucks trailers or any equipment in any area of downtown until 3:00 pm.

The music will begin at 6:00 pm and end at 9:00. We will make every effort to be torn down, and clean up finished by 10:00 in order to reopen the street to traffic promptly.

Sincerely,

The Summer Night Board of Directors
