Subject: TIF Committee Vote

Good evening

Thank you for the great work on the 100 Block of St Joe student housing. After the shocking and disappointing vote this morning, Technology Housing 2 LLC requests this letter to be a formal request to appeal the Committee vote to the City Planning Commission. We hope to keep this great community project going forward. Please place this item on the next available agenda for PC.

Thank you for your help.

Sincerely,
Hani Shafai
