RE: Library Fund Shortage – 3rd Quarter Payment Delay

Dear Libraries,

The Board of County Commissioners were made aware by the County Auditor on June 16th the library fund has gone negative in cash. This letter is a courtesy notice the County is unable to process the 3rd quarter payment in July as scheduled.

As the library fund is mostly supported by current year property taxes that are not paid until April 30th and October 30th, the County will process the 3rd and 4th quarter payments together once the 2nd half of property taxes have been received.

We apologize for any inconvenience this may cause. We appreciate your continued cooperation in working towards a positive solution to the library funding shortage.

Please feel free to contact us if you have any questions or concerns. Thank you.

Sincerely,
The Pennington County Board of Commissioners

Lyndell Petersen, Chairman
