As part of the Wildfire Hazard Mitigation Grant process, a local funding match is required. This letter serves as Springbrook Acres Association Board's commitment to matching fund requirements for the Western States Fire Managers Wildfire Mitigation Project in Spring Brook Acres Common Area. The Springbrook Board matching fund will be made through a cash commitment of up to \$50,000 plus in kind commitment needed for the grant.

The match source will come from the Springbrook Acres Water Users Association Board listed on the grant application to complete the improvements identified on our common area property in order to prevent the loss of life and property in the event of a wildfire.

Sincerely,

Rick Wiese
President, Board of Directors
