Greetings

On behalf of the Oglala Lakota Sheriff's Office, I am respectfully requesting consideration from your office for access to two (2) of your excessed patrol vehicles, preferably Patrol Cars that may be up for replacement in your organization.

Oglala Lakota County does not have the resources to purchase new vehicles for its required duty to provide Law Enforcement Services to Oglala Lakota County, however, the County does have adequate resources to insure, maintain and operate required patrol vehicles.

We are currently utilizing two older Tahoe's, I would like to maximize the life of these older high mileage vehicles, and reduce my daily operating costs through then use of patrol cars as our primary vehicles, and keep the older Tahoe's parked, but available for adverse weather etc.

As such, I am requesting the Rapid City Police Department consider allowing access to Oglala Lakota County to Law Enforcement Patrol cars through a donation to the County upon such time two (2) patrol cars may come available and properly removed from your inventory.

Thank you for your assistance in this important matter

Rex Conroy
