RECOMMENDATION: Staff recommends that the Resolution renaming the approximately one-quarter mile long northwest/southeast oriented roadway known as Jolly Lane to Festive Lane be approved.

GENERAL COMMENTS: This road renaming resolution will change the name of the one-quarter mile long northwest/southeast oriented roadway currently named Jolly Lane to "Festive Lane." This renaming is necessary because recently the City and Pennington County renamed all of the north/south roadway known as Jolly Lane and Race Track Road entirely to "Jolly Lane." In order to eliminate duplicative street names it is now necessary to rename the northwest/southeast oriented portion of the original "Jolly Lane."

STAFF REVIEW: There is no developed property served by the subject roadway. There is just one property owner affected by the proposed street renaming. Staff contacted the property owner's representative this past winter and asked if the property owner would like to submit a proposed name for consideration. The property owner's representative indicated that they did not have a preference for a proposed street name. The "Festive Lane" street name was selected for its similar meaning to "Jolly Lane." The Emergency Services Dispatch Center has approved the proposed new name.
