RECOMMENDATION: Staff recommends that the resolution renaming the approximately one-eighth mile long unnamed east/west roadway to "North Street" be approved.

GENERAL COMMENTS: The street renaming resolution will officially name the curved segment of "North Street" located east of West Boulevard. This portion of "North Street" is directly north of Central High School. The roadway segment was never officially named by the City – either when it was platted or as part of a subsequent street renaming action. The renaming will not change any addresses or affect the public in any noticeable manner.

STAFF REVIEW: Staff has reviewed this proposed street renaming and is recommending approval. The renaming will result in officially assigning the recognized name to this street segment.
