SURROUNDING ZONING	
North:	General Agriculture District
South:	General Agriculture District (County)
East:	General Agriculture District
West:	General Agriculture District
PUBLIC UTILITIES	To be extended
REPORT BY	Vicki L. Fisher

**RECOMMENDATION:** Staff recommends that the Amendment to the Future Land Use Designation in the South Robbinsdale Neighborhood Area Future Land Use Plan, an element of the Comprehensive Plan, be continued to the August **23**, 2001 Planning Commission meeting.

**GENERAL COMMENTS:** **This item was continued at the July 26, 2001 Planning Commission meeting to allow the Future Land Use Committee to further review the proposed Comprehensive Plan Amendment. This Staff Report has been revised as of July 28, 2001. All revised or added text is shown in bold print.** The applicant is seeking to change the future land use designation from Office Commercial with a Planned Commercial Development to General Commercial with a Planned Commercial Development on 2.20 acres more or less; from Medium Density Residential with a Planned Residential Development to General Commercial with a Planned Commercial Development on 5.80 acres more or less; from Planned Residential Development with a maximum density of 6.7 dwelling units per acre to General Commercial with a Planned Commercial Development on 28.28 acres more or less; and, from Office Commercial with a Planned Commercial Development to General Commercial with a Planned Commercial Development on 5.03 acres more or less.

The applicant has also submitted a rezoning request to rezone 49.57 acres of the subject property from General Agriculture District to General Commercial with a Planned Development Designation. (See companion items #01RZ042 and 01PD042.)

The property is located north of Catron Boulevard lying adjacent to the future Fifth Street

and Parkview Drive locations. The property is currently void of any structural development.

**STAFF REVIEW: On July 27, 2001, the Future Land Use Committee toured the property. The Committee has indicated that they will be meeting again to further discuss the request. In addition, the Future Land Use Committee is currently reviewing a Comprehensive Plan Amendment on approximately 380 acres located east and southeast of the subject property. The close proximity of the two properties and the potential impact the use(s) may have on the road networking within the area, require the consideration of both proposals in conjunction with each other. To date, the Future Land Use Committee is also continuing to review the Comprehensive Plan Amendment on the adjacent property. Staff is recommending that this item be continued to the August 23, 2001, Planning Commission meeting to allow the Future Land Use Committee to continue their review of the proposed Comprehensive Plan Amendment.**
