of structural development.

STAFF REVIEW: The property is located in Pennington County, outside of the City limits of Rapid City and is currently zoned Limited Agriculture District by the County. The Limited Agriculture District requires a minimum lot size of 10 acres. On June 19, 2001, the County Board of Commissioners denied without prejudice a request to rezone the subject property from Limited Agriculture District to General Commercial District. **Subsequently, the applicant has submitted a Planned Unit Development request to Pennington County to allow a convenience store to be located on the property. The Planned Unit Development request is scheduled to be heard by the County Board of Commissioners on October 16, 2001. Staff is recommending that the associated Preliminary and Final Plat be continued to the November 8, 2001 Planning Commission meeting in order for the zoning issues to be addressed prior to the City acting upon the proposed plat. As such, staff is recommending that the Variance to the Subdivision Regulations be continued to November 8, 2001 to be heard in conjunction with the associated plat.**
