- 2. The proposed zoning is consistent with the intent and purposes of this ordinance.**

This property is located on Cambell Street. General Commercial Zoning with a Planned Development District is located east and south of the subject property. Land to the west is zoned General Commercial. Land to the north is currently in a No Use Zoning District due to the recent annexation of the property.

- 3. The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.**

The amendment should have no significant affects on the surrounding land uses or on public infrastructure.

- 4. The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street plan, Land Use Plan and Community Facilities Plan.**

The adopted Future Land Use Plan for the Elk Vale Neighborhood identifies this property as being appropriate for General Commercial land uses.
