No. 02RZ001 - Rezoning from No Use District to Heavy Industrial District

ITEM 13

The east 613 feet of the north 511 feet of SW1/4 SW1/4, and the NW1/4 SE1/4 SW1/4, all located in Section 32, was annexed into the City on October 25, 2001. All lands annexed are placed in the No Use Zoning District. The No Use Zoning District is a temporary designation for the purpose of permitting investigation and study of the land uses in the area.

2. The proposed zoning is consistent with the intent and purposes of this ordinance.

This property is located north of SD Highway 44 East, south of East North Street, and east of Cambell Street. General Commercial zoning is located north, south, and east of the subject property. Land to the west is in a No Use Zoning District due to the recent annexation of the property. The current use of the subject property is an auto salvage business.

3. The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.

The amendment should not have a significant affect on any of the surrounding land uses or on public infrastructure.

4. The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street plan, Land Use Plan and Community Facilities Plan.

The property owners recently completed an amendment to the adopted Future Land Use Plan for the Elk Vale Neighborhood to identify this property as being appropriate for Light Industrial land uses. This rezoning request is consistent with the revised land use plan for this area.

Staff has posted the required sign on this property. As of this date, staff has received no comments or objections regarding this request.
