RECOMMENDATION: Staff recommends that the Revocation of a Use on Review for a private school in the Medium Density Residential Zoning District be approved.

GENERAL COMMENTS: A current Use on Review for a private school located at 4116 Canyon Lake Drive was approved on July 20, 1992. This property was the location of a Montessori school and the school is no longer operating at this location. The property has been sold and the new owner plans to develop the property into an apartment complex, and will not be operating a school at this location. The property is zoned Medium Density Residential and is surrounded by property on all sides zoned Medium Density Residential.

STAFF REVIEW: Staff has reviewed this revocation of a Use on Review and recommends approval. The applicant will no longer operate a private school at this location, so the Use on Review will no longer be needed for this property.
