recommended approval of rezoning the subject property from Office Commercial Zoning District with a Planned Development Designation to General Commercial Zoning District with a Planned Development Designation. Applications for an Amendment to the Comprehensive Plan and a Planned Development Designation have been submitted in conjunction with the rezoning request.

STAFF REVIEW: Staff has reviewed this proposed rezoning for conformance with the four criteria for review of zoning map amendments established in Section 17.54.040(D)(1). A summary of staff findings are outlined below:

**1. The proposed amendments shall be necessary because of substantially changed or changing conditions of the area and districts affected or in the City in general.**

The subject property was annexed into the City on May 15, 2002. On November 4, 2002, the City Council approved the rezoning of the subject property from No Use District to Office Commercial District with a Planned Development Designation. On October 25, 2002, the applicant met with the Future Land Use Committee to discuss the rezoning of the subject property from Office Commercial District with a Planned Development Designation to General Commercial District with a Planned Development Designation. The Future Land Use Committee recommended approval of the land use change from Office Commercial with a Planned Development Designation to General Commercial with a Planned Development Designation for the subject property.

**2. The proposed zoning is consistent with the intent and purposes of this ordinance.**

The property located to the north of the subject property is zoned Limited Agriculture District by Pennington County. The property to the south and east of the subject property is zoned Office Commercial District with a Planned Development Designation. The property located to the west of the subject property is zoned General Commercial District with a Planned Development Designation. The Elk Vale Neighborhood Area Future Land Use Plan identifies the subject property as appropriate for Office Commercial land use(s) with a Planned Development Designation. Associated requests have been submitted for a Planned Development Designation and an Amendment to the Comprehensive Plan to change the land use for the subject property from Office Commercial with a Planned Development Designation to General Commercial with a Planned Development Designation. Upon approval of the Amendment to the Comprehensive Plan, the request to rezone the property from Office Commercial District with a Planned Development Designation to General Commercial District with a Planned Development Designation will appear to be consistent with the Elk Vale Neighborhood Area Future Land Use Plan and the appropriate zoning district for the property.

**3. The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.**

The amendment should not have a significant affect on any of the surrounding land uses

or on public infrastructure.

- 4. The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street plan, Land Use Plan and Community Facilities Plan.**

The Elk Vale Neighborhood Area Future Land Use Plan for this area identifies the subject property as appropriate for Office Commercial land use with a Planned Development Designation. The property owner met with the Future Land Use Committee regarding the rezoning of the subject property. The Future Land Use Committee recommended approval of the change in land use for the subject property from Office Commercial District with a Planned Development Designation to General Commercial District with a Planned Development Designation.

Staff has mailed certified letters to notify surrounding property owners of the proposed rezoning and has posted the required sign on this property. As of this date, staff has received no inquires or objections regarding this request.
