No. 03PD027 - Planned Residential Development - Initial and Final Development Plan

ITEM 27

DATE OF APPLICATION 05/30/2003

REPORT BY Karen Bulman

RECOMMENDATION: Staff recommends that the Planned Residential Development - Initial and Final Development Plan be continued to the July 10, 2003 Planning Commission meeting to allow the applicant to submit additional information.

GENERAL COMMENTS: This property is located north of Fairmont Boulevard and east of South Dakota Highway 79. The property was annexed into the City limits in 1947 and is void of development. It is currently zoned Medium Density Residential District. The property located north and south of the subject property are zoned Medium Density Residential District. The property located east of the subject property is zoned Medium Density Residential and General Commercial District. The property located west of the subject property is zoned Park Forest District. The Comprehensive Plan for this area indicates the property is appropriate for residential land use(s). The applicant has submitted a Preliminary and Final Plat (03PL028) for this property, which is being continued at City Council as all the stipulations have not been met.

STAFF REVIEW: Staff has reviewed this application and has noted that additional information is required before this application can be evaluated. The site plan submitted by the applicant indicates a sign located in the right-of-way. The location of drainage lots are not indicated on the site plan. Building elevated along with materials and colors have not been submitted. The site plan indicates one access point and more than 40 units. Before a final review can be completed, the applicant must submit elevation drawings, a lighting package, a sign package, and building materials and colors for review. A site plan showing two entrances into the property must be submitted or an exception to the 40 unit rule must be submitted prior to the approval of the Planned Residential Development application. Staff is requesting that the Planned Development Initial and Final Development Plan request be continued until the July 10, 2003 Planning Commission meeting to allow the applicant to submit the additional information for review.
