RECOMMENDATION: Staff recommends that the Petition for Annexation be approved contingent on any payment that may be due to the North Haines Fire District being made by the City of Rapid City upon annexation.

GENERAL COMMENTS: The process for annexation by petition is provided for under Section 9-4-1 SDCL. This statute states that by resolution, the City may annex a contiguous area, if the written petition describing the boundaries of the area is signed by no less than three-fourths of the registered voters and by owners of no less than three-fourths of the value of the area to be annexed. The petition appears to meet all requirements for consideration under the provisions for a voluntary annexation.

This undeveloped property contains approximately 5.326 acres and is located along Nicole Street, west of Haines Avenue and north and west of Mall Ridge. The property adjacent to the subject property was annexed into the City in 2001. The approval of the annexation will place a No Use Zoning District designation on this property. The property owner plans to build residential structures, including townhomes, on this property and has submitted a request to rezone the property from No Use District to Low Density Residential II District (03RZ043).

STAFF REVIEW: The subject property is adjacent to the Rapid City limits and is currently zoned Limited Agriculture District by Pennington County. The properties to the north and west are zoned Limited Agriculture District by Pennington County. The properties to the south and east of the subject property are zoned Mobile Home Residential District.

The annexation area is presently located in the North Haines Fire Protection District. Under SDCL 34-31A-35 a municipality is obligated to compensate rural fire districts when annexation diminishes their tax base. The North Haines Fire District has been contacted to determine any costs that may need to be reimbursed. To date the North Haines Fire District has not submitted a dollar amount. Annexation will be contingent on any payment due to

the North Haines Fire District.

The process for annexation by petition, provided for under Section 9-4-1 SDCL states that by resolution, the City may annex a contiguous area, if the written petition describing the boundaries of the area is signed by no less than three-fourths of the registered voters and by owners of no less than three-fourths of the value of the area to be annexed. As such, this area has been identified as appropriate for annexation.

Staff believes that the annexation of this property would provide more cohesive municipal boundaries. Staff is recommending approval of this annexation contingent on any payment that may be due to the North Haines Fire District being made by the City of Rapid City upon annexation.
