**RECOMMENDATION:** The Future Land Use Committee recommends that the Amendment to the Comprehensive Plan to change the future land use designation on a 1.90 acre parcel of land from Planned Residential Development with a maximum density of one dwelling unit per acre to Medium Density Residential with a Planned Residential Development be approved.

**GENERAL COMMENTS:** This property is located south of Catron Boulevard and east of U.S. Highway 16. The subject property is currently in a No Use Zoning District. Property located north of the subject property is zoned Low Density Residential with a Planned Development Designation. The properties located south, east and west of the subject property are zoned No Use District. The South Robbinsdale Neighborhood Area Future Land Use indicates the subject property is appropriate for Planned Residential Development with a maximum density of one dwelling unit per acre land use(s). The land use for property located north, south and west of the subject property is Planned Residential Development with a maximum density of one dwelling unit per acre. The land use for property located east of the subject property is Planned Unit Development.

**STAFF REVIEW:** The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

The South Robbinsdale Neighborhood Area Future Land Use Plan identifies the land use for the subject property as appropriate for a Planned Residential Development with a maximum density of one dwelling unit per acre. The applicant met with the Future Land Use Committee to discuss changing the land use from Planned Residential Development with a maximum density of one dwelling unit per acre to Medium Density Residential with a Planned Residential Development. The Future Land Use Committee noted that the subject property was adjacent to Catron Boulevard and that the request would provide a buffer between general commercial land uses to the west and the residential land uses to the east. The Future Land Use Committee recommends that the Amendment to the South Robbinsdale Neighborhood Area Future Land Use Plan to change the future land use on a
