RECOMMENDATION: Staff recommends that the Amendment to the Comprehensive Plan to change the future land use designation on a 1.792 acre parcel of land from Park Forest to Medium Density Residential with a Planned Residential Development be continued to the **February 19, 2004** Planning Commission meeting to be heard in conjunction with the Preliminary and Final Plat.

GENERAL COMMENTS: **This item was continued at the December 4, 2003 Planning Commission meeting to allow the applicant to submit additional information. This Staff Report has been revised as of January 12, 2004. All added and/or revised text is shown in bold print.** The property is located at the northeast corner of Plaza Boulevard and Harmony Heights Lane and is currently zoned General Agriculture District. Sunny Springs Road is located adjacent to the east boundary of the property. The properties located north and west of the subject property are zoned Office Commercial District. The property located to the east is zoned Medium Density Residential District. The property located to the south is zoned General Agriculture District. An application for a Planned Development Designation (03PD058), a Rezoning from General Agriculture District to Medium Density Residential District (03RZ049) and a Preliminary and Final Plat (03PL112) have been submitted in conjunction with this Amendment to the Comprehensive Plan.

STAFF REVIEW: The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

The Comprehensive Plan identifies the subject property and surrounding properties as appropriate for Park Forest land use(s). The subject property is currently void of development. The properties east of the subject property are used for multi-family residential uses. The properties north and west of the subject property are used for office

commercial uses. Changing the Comprehensive Plan from Park Forest to either Medium Density Residential or Office Commercial would be appropriate based on the uses of adjacent properties. There have been several apartment complexes constructed east of the subject property, all taking access from Harmony Heights Lane. Staff has concerns over drainage and the potential impacts of additional residential units in the area. The Planned Development Designation will address concerns over intensity of use and drainage issues.

Staff recommends the Amendment to the Comprehensive Plan to change the land use designation from Park Forest to Medium Density Residential with a Planned Residential Development be continued to the **February 19, 2004** Planning Commission meeting to be considered in conjunction with the Preliminary and Final Plat.

As of this writing, the sign has been posted on the property, and the receipts from the certified mailing have been returned. Staff has received **one inquiry but no** objections regarding this request.
