No. 04RZ028 - Rezoning from General Commercial District to Office Commercial District

ITEM 25

RECOMMENDATION: Staff will make a recommendation at the May 6, 2004 Planning Commission meeting for the rezoning request from General Commercial District to Office Commercial District.

GENERAL COMMENTS: In 2001 the applicant submitted three rezoning requests for the property now known as the Skyline Pines East development. At that time the applicant proposed to develop the 61.75 acre tract that is located west of the Ridco Development and east of the Skyline Pines development with three development components. The applicant proposed a single family residential development, a multi-family residential development, and an office commercial development. The applicant also proposed the construction of Fairmont Boulevard to the west and south to connect to Tower Road in the future. The applicant has now proposed a change to that initial configuration of zoning designations. As part of that change to the initial development proposal the applicant has submitted several rezoning requests. This request is to rezone a piece of property located north of Tower Road and west of the future western extension of Fairmont Boulevard from General Commercial to Office Commercial. The property is currently void of any structural development.

STAFF REVIEW: Staff has reviewed this proposed rezoning request and has questions about the proposal. Staff is meeting with the applicant on May 3, 2004 to discuss the proposed development and rezoning requests for the Skyline Pines East Development. Staff will make a recommendation at the May 6, 2004 Planning Commission meeting for the rezoning request from Park Forest District to Office Commercial District.

A sign stating that a Rezoning has been requested is posted on the property. The receipts from the certified mailings have not been returned. Staff will notify the Planning Commission at the May 6, 2004 Planning Commission meeting if this requirement has not been met. Staff has received no inquiries or objections regarding this request.
