8. Prior to Planning Commission approval, a copy of the lease agreement for the leased parking shall be submitted for review and approval;
9. Prior to Planning Commission approval, a plan addressing the management and disposal of animal waste shall be provided for review and approval;
10. The total number of restrooms (including handicapped accessible restrooms) to be provided shall be determined by the Building Inspections Division at the time a Temporary Use Permit is requested;
11. The temporary structures shall be erected in the location shown on the submitted site plan to insure they do not encroach into the hydraulic floodway; and,
12. The proposed event shall only be allowed between the hours of 7:00 AM and 3:00 PM on June 26, 2004.

GENERAL COMMENTS: This application for an 11-6-19 SDCL Review has been submitted to allow the applicant to erect two 20 foot by 30 foot temporary tents, kid games, and a petting zoo on public property. The applicant has indicated that the proposed structures will be provided to serve the employees and their families at the employee appreciation picnic for the Black Hills Corporation. The applicant has indicated that the temporary structures will be set up from 7:00 AM to 8:00 AM on the day of the event, Saturday, June 26, 2004, and the structures will be removed by 3:00 PM the same day.

The subject property is located along Jackson Boulevard and is the location of Canyon Lake and Canyon Lake Park which is public property.

South Dakota Codified Law 11-6-19 states that "...whenever any such municipal council has adopted a comprehensive plan, then no street, park or other public way, ground, place, space, no public building or structure, no public utility, whether publicly or privately owned, if covered by the comprehensive plan or any adopted part thereof, shall be constructed or authorized in the municipality or within its subdivision jurisdiction until and unless the location and extent thereof shall have been submitted to and approved by the Planning Commission". As previously indicated, the subject property is City owned property requiring that the Planning Commission review and approve of the proposed construction on City owned property.

STAFF REVIEW: Staff has reviewed the proposed 11-6-19 SDCL Review and has noted the following issues:

Fire Safety: The Fire Department has stated that the petitioner must submit complete plans for all proposed tents at the time a Temporary Use Permit application is submitted. Additionally, a tent checklist form and a tent inspection must be completed prior to initiation of the event and adequate access for Fire Department apparatus must be continually maintained for the duration of the special event.

Evacuation Plan: The standards for review for an 11-6-19 SDCL Review located within the Flood Hazard Zoning District (Section 17.28.040 (D) of the Rapid City Municipal Code) require that an evacuation plan be developed and posted when structures are proposed within the Flood Hazard Zoning District.

No. 04SR022 - SDCL 11-6-19 Review of a temporary structure in a public place **ITEM 5**

Staff is recommending that prior to issuance of a Temporary Use Permit for the picnic; a copy of this plan be submitted to City Staff for review and approval.

Park Use: As previously indicated the applicant is proposing to erect two tents, kid's games, and a petting zoo within Canyon Lake Park. Section 5.12.110 of the Rapid City Municipal Code states that "It is unlawful for any person to consume any intoxicating liquor or malt beverage or to mix or blend any alcoholic beverage with any other beverage, regardless of whether such beverage is an alcoholic beverage, in any public place." The applicant has indicated that Black Hill Corporation company policy does not allow alcohol to be served at company functions. As such, no alcohol will be served or allowed to be brought to the company picnic.

Parking: The applicant has indicated that 154 off street parking stalls will be provided for the event. The applicant's site plan shows 66 parking stalls provided at the Canyon Lake Chophouse restaurant. The applicant has indicated that they have reserved the 18 parking stalls provided at the boat rental area at Canyon Lake Park until the end of the event at 3:00 PM. The applicant has also indicated that they have leased 70 parking stalls from Mallard View LLC which owns the property at 4200 Beach Drive. Prior to Planning Commission approval, a copy of the lease agreement for the leased parking shall be submitted for review and approval.

Petting Zoo: The applicant has indicated that a petting zoo will be provided at the event. Staff noted that a plan addressing the management and disposal of animal waste shall be provided for review and approval prior to Planning Commission approval.

Restroom Facilities: As previously noted, the applicant has indicated that approximately 600 people are estimated to attend the event. Staff noted that adequate restroom facilities must be provided for the event.

Hydraulic Floodway: The applicant's site plan shows the temporary structures located in the 100 year floodplain but not within the floodway. The temporary structures shall be erected in the location shown on the submitted site plan to insure they do not encroach into the hydraulic floodway.

Staff recommends approval of this request with the above stated stipulations.
