NOTES:
SOUTH DAKOTA ONE CALL NOTIFICATION CENTER
1-800-451-2144

The location of existing underground utilities are shown in an approximate only and based on field investigation only. Contractors shall determine the exact location of all existing utilities before commencing work and report to the City responsible for any and all damages which might be occasioned by the contractor's failure to locate, locate and preserve any and all underground utilities.

REMARKS:
GENERAL NOTES LOCATED AT MAPLE AVENUE AND ANANDA STREET SEE SECTION OF THE INTERSECTION.

CERTIFICATE OF SURVEYOR
I, Gary D. Renner Registered Professional Engineer, No. 2854 of the State of South Dakota, do hereby certify that being in possession of 1/20 of the whole acre and being duly sworn to the above under my direction and that the well and road correctly show the existing site conditions and the proposed improvements thereon.
