time to submit additional information. The applicant has requested that this item be continued to the February 10, 2005 Planning Commission meeting to allow them time to submit additional information.

The applicant has submitted a Vacation of Right-of-Way for the southern property line of the subject property. Also, the applicant has submitted a Preliminary Plat to subdivide approximately 13 acres into two lots, creating an approximate three acre lot and a ten acre lot, respectively. (See companion item #04PL191.)

The subject property is located approximately .5 miles northwest on Catron Boulevard from the intersection of Highway 16 and Catron Boulevard. The property lies on the west side of Catron Boulevard. Covenant Drive currently terminates at the property line.

**STAFF REVIEW:**

Staff has reviewed the proposed Vacation of Right-of-Way request and recommends that it be continued.

**Utilities:** All Utility Companies were notified in writing and all but one Utility Company responded and indicated no objections. A utility easement will remain throughout the vacated section line right-of-way.

Staff recommends the Vacation of Right-of-Way request be continued to the January 27, 2005 Planning Commission Meeting to allow the applicant to submit additional information.
