ITEM 28

REVIEWED BY

Todd Tucker / David L. Johnson

RECOMMENDATION:

Staff recommends that the Amendment to the Comprehensive Plan to change the future land use designation on an 6.74 acre parcel of land from Flood to Public be **tabled**.

GENERAL COMMENTS: **(This Staff Report was revised on March 11, 2005. All revised and/or added text is shown in bold text.) This item was continued at the February 24, 2005 Planning Commission meeting to allow this item to be acted on with the associated Comprehensive Plan Amendment and SDCL 11-6-19 Review for the subject property. On March 7, 2005 the City Council denied the Rezoning request and Comprehensive Plan request on the subject property. As such, staff recommends that the Rezoning request be tabled as it has already been acted on by the City Council.**

The subject property is located at the northern terminus of Player Drive between Sheridan Lake Road and Park Drive. The subject property is currently zoned Park Forest and is located near the Meadowbrook Golf Course. The property is located adjacent to Park Forest properties to the north and west. The properties located east and south of the subject property are zoned Low Density Residential. The Comprehensive Plan and the 1974 Future Land Use Plan identify the subject property as Flood District. The applicant is requesting that the Future Land Use Plan be amended from Flood District to Public District. The applicant has also submitted a request to rezone the subject property from Park Forest to Public District (05RZ002).

Staff recommends that the Amendment to the Comprehensive Plan be continued to the March 24, 2005 Planning Commission Meeting to allow this item to be acted on with the associated Rezoning request and SDCL 11-6-19 Review for the subject property.

As previously indicated, staff recommends that the Amendment to the Comprehensive Plan request be tabled as was denied by the City Council on March 7, 2005.
