Residential District II. The applicant has also submitted a Preliminary Plat to subdivide the subject property and two additional parcels into 25 lots leaving a non-transferable unplatted balance. (See companion items #05RZ022 and 05PL040.)

On December 20, 2004, the City Council approved an Exception to the Street Design Criteria Manual to allow 106 dwelling units with one point of access in lieu of 40 dwelling units. In particular, the Exception allows 67 lots to be platted as Phase One of the Rainbow Ridge Subdivision and these 25 lots as shown on the associated Preliminary Plat.

The subject property is located west of the western terminus of Northridge Drive. Currently, a single family residence is located on proposed Lot 1R.

STAFF REVIEW:

The applicant's consultant notified the Growth Management Department that the legal description submitted with this application was incorrect. The legal description has, subsequently, been revised as needed. As such, staff is recommending that the Rezoning request from Mobile Home Residential District to Low Density Residential - II District be continued to the April 7, 2005 Planning Commission meeting to allow the revised legal description to be advertised as required.
