No. 05RZ002 - Rezoning from Park Forest District to Public District

ITEM 29

RECOMMENDATION:

Staff recommends that the Rezoning from Park Forest District to Public District be **tabled**.

GENERAL COMMENTS: **(This Staff Report was revised on March 11, 2005. All revised and/or added text is shown in bold text.) This item was continued at the February 24, 2005 Planning Commission meeting to allow this item to be acted on with the associated Comprehensive Plan Amendment and SDCL 11-6-19 Review for the subject property. On March 7, 2005 the City Council denied the Rezoning request and Comprehensive Plan request on the subject property. As such, staff recommends that the Rezoning request be tabled as it has already been acted on by the City Council.**

The subject property is located at the northern terminus of Player Drive between Sheridan Lake Road and Park Drive. The subject property is currently zoned Park Forest and is part of the Meadowbrook Golf Course. The property is located adjacent to Park Forest properties to the north and west. The properties located east and south of the subject property are zoned Low Density Residential. The applicant is requesting the property be rezoned from Park Forest to Public District. The Comprehensive Plan and the Future Land Use Map identify the subject property as Flood District. The applicant has also submitted a request to amend the Future Land Use Plan from Flood District to Public District (05CA002).

Staff recommends that the Rezoning request be continued to the March 24, 2005 Planning Commission Meeting to allow this item to be acted on with the associated Comprehensive Plan Amendment and SDCL 11-6-19 Review for the subject property.

As previously indicated, staff recommends that the Rezoning request be tabled as was denied by the City Council on March 7, 2005.
