STAFF REVIEW: This undeveloped property is located east (Revised 8-16-04) of South Highway 16 and south of Sammis Trail. The property is currently zoned General Agriculture District and Planned Unit Development by Pennington County. Land located south of the subject property is zoned Planned Unit Development by Pennington County. Land located north of the subject property is zoned General Agriculture District in the City and Limited Agriculture District by Pennington County. Land located east and west of the subject property is zoned General Agriculture District by Pennington County. The applicant has applied to plat the subject property, amend the Major Street Plan through a Comprehensive Plan Amendment, rezone the property from No Use District to Low Density Residential District, applied for a Planned Development Designation and has requested a Variance to the Subdivision Regulations to waive the requirements to install curb, gutter, sidewalk, street light conduit, water, sewer and pavement.

The annexation area is presently located in the Whispering Pines Fire Protection District. Under SDCL 31-31A-35 a municipality is obligated to compensate rural fire districts when annexation diminishes their tax base. The Whispering Pines Fire District has been contacted to determine any costs that may need to be reimbursed. The Whispering Pines Fire District has indicated that they do have a capital improvement loan and will be requesting reimbursement. Annexation will be contingent on payment due to the Whispering Pines Fire District being paid by the City of Rapid City.

Staff is recommending that the annexation be continued to the August 5, 2004 meeting to be heard in conjunction with the rezoning of the subject property. As the rezoning of the subject property will be heard by the Planning Commission on August 5, 2004, staff is recommending that the annexation be approved contingent on any payment due to the Whispering Pines Fire District being paid by the City of Rapid City (revised 7-27-04).
