STAFF REVIEW: Staff has reviewed this proposed rezoning for conformance with the four criteria for review of zoning map amendments established in Section 17.54.040(D)(1). A summary of Staff findings is outlined below.

1. *The proposed amendments shall be necessary because of substantially changed or changing conditions of the area and districts affected or in the City in general.*

Staff is unaware of any substantially changed or changing conditions.

2. *The proposed zoning is consistent with the intent and purposes of this ordinance.*

The Office Commercial Zoning District is intended to provide a place for those types of institutional and commercial activities that require separate building and building groups surrounded by landscaped yards and open areas. Land, space and aesthetic requirements of these uses make desirable either a central location or a suburban location near residential neighborhoods. Changing the zoning to Office Commercial appears to be consistent with the intent and purposes of the Zoning Ordinance.

3. *The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.*

Staff is not aware of any significant adverse effects that would result from rezoning the subject property from Medium Density Residential District to Office Commercial District.

4. *The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street Plan, Land Use Plan, and Community Facilities Plan.*

The Comprehensive Plan identifies the subject property as appropriate for Residential Land use(s). An amendment to the Comprehensive Plan to change the land use on the subject property from Residential to Office Commercial with a Planned Commercial Development Designation (05CA032) has been submitted in conjunction with this rezoning. If the Comprehensive Plan amendment is approved, the proposed use will be consistent with the adopted plan.
