GENERAL COMMENTS:

The applicant has submitted a Variance to the Subdivision Regulations to waive the requirement to install curb, gutter, street light conduit, sidewalk, sewer and water along Sheridan Lake Road; to install curb, gutter, street light conduit, sidewalk, water and sewer along the internal streets; and to install curb, gutter, street light conduit, sidewalk, sewer, water and pavement and to allow platting half a right-of-way along Sawmill Road. In addition, the applicant has submitted a Preliminary Plat to subdivide the subject property into 25 residential lots, a sewer lot, a reservoir lot and two well lots (See companion item #05PL134.)

The property is located in the northwest corner of the intersection of Sawmill Road and Sheridan Lake Road. Currently, a single family residence with access structures is located on the property.

STAFF REVIEW:

During the review of the associated Preliminary Plat staff noted that site distance issues exist at the intersection of Sienna Meadows and Sheridan Lake Road. As such, staff is recommending that the site distance issue be addressed or access to the site be taken from Sawmill Road. Review of the Variance to the Subdivision Regulations will depend upon the access street(s) to the development. As such, staff is recommending that the Variance to the Subdivision Regulations be continued to the August 25, 2005 Planning Commission meeting to be heard in conjunction with the associated Preliminary Plat.
