adopted a comprehensive plan, then no street, park or other public way, ground, place, space, no public building or structure, no public utility, whether publicly or privately owned, if covered by the comprehensive plan or any adopted part thereof, shall be constructed or authorized in the municipality or within its subdivision jurisdiction until and unless the location and extent thereof shall have been submitted to and approved by the Rapid City Planning Commission.” The proposed construction is located on public property requiring that the proposed construction be reviewed and approved by the Rapid City Planning Commission as a part of an SDCL 11-6-19 Review.

STAFF REVIEW: Staff has reviewed the proposed SDCL 11-6-19 Review and has noted the following issues:

Building Permit: Staff noted that a Building Permit must be obtained prior to initiation of any construction.

Shed: The proposed storage shed is 20 feet wide by 20 feet in length or 400 hundred square feet in total size. The shed is to be constructed using a pre-treated lumber frame with light-sand colored metal sheeting. The walls are to be 9 feet high. The proposed storage shed meets all setback requirements and is in compliance with the zoning regulations.

Staff is recommending that the SDCL 11-6-19 Review be approved with the above stated stipulations.
