RECOMMENDATION:

Staff recommends that the Vacation of Non-Access Easement be approved with the following stipulation:

1. A 70 foot non-access easement as opposed to the requested 60 foot non-access easement along Sandra Lane be approved upon submittal of a site plan.

GENERAL COMMENTS: The applicant has submitted a Vacation of Non-Easement to vacate a portion of the 75 foot non-access easement located along Sandra Lane as it abuts the subject property.

The property is located at the southeast corner of Sandra Lane and Parkview drive. Currently the property is void of any structural development.

STAFF REVIEW: At present, a 75 foot non-access easement abuts Sandra lane. The applicant has requested to reduce the present 75 foot non-access easement to 70 feet to facilitate the construction of a new single family residence on the site. Due to the constraints imposed upon a corner lot and the proposed location of the garage, staff recommends that

the non-access easement be vacated as requested.
