Dear Planning Commission;

Legal description from tax notice card I no 7E sec 01 Rapid City Boulevard addn blk 36 lot I pf sub div of lot I2 threw I6 block 9 Flormann addn(also)in sec 2).

I'm Marian Young/ Wanieta Turner, we own the property at 733 Clark. Since the brick house on the corner has stood empty at least 5 years, We would like our property taxes to go back to residential. Ray Elliott was to make it into offices so our taxes were raised to semi commercial.

The property at 733 Clark is a home for Wanieta and her family, It has never stood empty in the 49 years we have owned it.

As ever

Marian Young
