applicant's request.

GENERAL COMMENTS:

**(Update, November 16, 2005. All revised and/or added text is shown in bold print.) This item was continued at the November 10, 2005 Planning Commission meeting at the applicant's request. The applicant has, subsequently, requested that this item be continued to the January 26, 2006 Planning Commission meeting to allow them to address density and dry sewer issues relative to the subject property. As such, staff is recommending that the Preliminary Plat be continued to the January 26, 2006 Planning Commission meeting as requested. Please note that no other part of this Staff Report has been revised.**

(Update, October 31, 2005. All revised and/or added text is shown in bold print.) This item was continued at the September 22, 2005 Planning Commission meeting at the applicant's request. The applicant has, subsequently, requested that this item be continued to the November 23, 2005 Planning Commission meeting to allow them to address density and dry sewer issues relative to the subject property. As such, staff is recommending that the Preliminary Plat be continued to the November 23, 2005 Planning Commission meeting as requested.

The applicant has submitted a Variance to the Subdivision Regulations to waive the requirement to install curb, gutter, sidewalk, street light conduit and dry sewer. In addition, the applicant has submitted a Preliminary Plat to create 22 residential lots to be known as Phase One of the Prairiefire Subdivision. (See companion item #05PL159.)

On September 8, 2005 the Planning Commission recommended that a Preliminary Plat to create two lots as a part of the Prairiefire Subdivision located directly east of the subject property be continued to the September 22, 2005 Planning Commission meeting at the applicant's request. In addition, the Planning Commission recommended that an associated Variance to the Subdivision Regulations to waive the requirement to install curb, gutter, sidewalk, street light conduit, sewer, to dedicate additional right-of-way and to allow platting half a right-of-way be continued to the September 22, 2005 Planning Commission meeting at the applicant's request. (See companion items #05PL157 and 05SV060.)

The property is located at the western terminus of Mondo Street and is currently void of any structural development.

STAFF REVIEW:

The applicant has requested that this Variance to the Subdivision Regulations and all three associated items as identified above be continued to the January 26, 2006 Planning Commission meeting to allow them to address density and dry sewer issues relative to the subject property. As such, staff is recommending that the Preliminary Plat be continued to the January 26, 2006 Planning Commission meeting as requested.
