No. 06UR003 - Conditional Use Permit to allow an on-sale liquor establishment **ITEM 34**

1. *The request will not “adversely affect” the use of any place used for religious worship, school, park, playground, or similar use within a five hundred foot radius.*

The bike path is located adjacent to the north and east property lines of the subject property. The west edge of the Star of the West Sports Complex is located within 500 feet of the subject property. There are no other places of religious worship, schools or parks located within a 500 foot radius of the subject property. It appears the proposed use will be buffered from the bike path by future development on the subject property and the Stars of the West Sports Complex is buffered from the subject property by Rapid Creek. Staff does not find this request for an on-sale liquor use to constitute an adverse affect on these recreational areas.

2. *The requested use is “sufficiently buffered” with respect to residential areas so as not to adversely affect” such areas.*

The subject property is currently zoned General Commercial District. The subject property is located adjacent to existing commercial uses. Residential structures are located southwest of the subject property across East Saint Patrick Street. East Saint Patrick Street is a five-lane road that serves as a buffer for the residential areas from the subject property and the proposed use.

3. *The proposed use will not create an undue concentration of similar uses, so as to cause “blight, deterioration, or substantially diminish or impair property values.”*

The proposed on-sale liquor use will be a video lottery casino located on the subject property. No other on-sale liquor establishments are located in the immediate area. Staff does not find this request for an on-sale liquor use to constitute an undue concentration that would cause blight or deterioration or diminish land values in the surrounding area.

4. *The proposed use has been reviewed under Chapter 17.54.030 (E) Criteria for Review.*

Staff has reviewed the proposed use with respect to Chapter 17.18 of the Rapid City Municipal Code and notes the following issues:

Parking: Staff noted that a parking plan was not submitted as part of the application. Prior to Planning Commission approval, a complete site plan must be submitted for review and approval.

Landscaping: Staff noted that a landscape plan was not submitted as part of the application. Prior to Planning Commission approval, a complete landscape plan must be submitted for review and approval.

Design Features: The building is a one story masonry structure with earth tone colors. The dumpsters will be screened and will not be visible to the adjacent properties.

Signage: The proposed signage must comply with the Sign Code. A wall sign will be

located on the west and east side of the tenant space. Future wall signage may be required as additional businesses other portions of the building. Any additional signage must meet all Sign Code regulations and will require a Minimal Amendment to the Conditional Use Permit.

Fire Code: Staff noted that all applicable provisions of the International Fire Code shall be continually met.

Staff is recommending that the Conditional Use Permit to allow an on-sale liquor establishment in the General Commercial Zoning District be continued to the April 6, 2006 Planning Commission Meeting to allow the applicant time to submit the required information as outlined above.
