MEMORANDUM

TO: Rapid City Planning Commission

FROM: Marcia Elkins
Growth Management Director

DATE: June 29, 2006

RE: **No. 06TP002 - Revision to 2006 - 2010 Transportation Improvement Program Amendment #06-003**

The recently enacted Safe, Accountable, Efficient, Transportation Equity Act – A Legacy for Users included High Priority Project funding for the East Anamosa Street, (N. Lacrosse Street to E. North Street) project. This amendment adds the project to the TIP and will allow the City of Rapid City to begin the project process consistent with State and Federal guidelines. The project was previously included in the approved Rapid City Area 2030 Long Range Transportation Plan.

On February 6, 2006, the City Council approved the 2006 – 2010 Transportation Improvement Program Amendment #06-003. This revision to Amendment #06-003 reflects a change to the total project cost.

STAFF RECOMMENDATION: The Executive Policy Committee of the Rapid City Area Metropolitan Planning Organization recommends approval of the Revision to 2006-2010 Transportation Improvement Program Amendment #06-003.
