MEMO

TO: Planning Commission
FROM: Brad Solon, Building Official
DATE: July 25, 2006
SUBJECT: Eglin Street

The eastern most portion of Eglin Street will be connecting with N Elk Vale Road as shown on the attached documents. The extension of Eglin Street to N Elk Vale Road will cause a short portion of the existing Eglin Street north of the railroad to remain. The existing portion of Eglin Street north of the railroad must be renamed to avoid having two different portions of street with same name.

The property owners along that portion of old Eglin Street have been contacted and were asked for comment on a possible street name. One (1) property owner responded and requested "K & W Boulevard".

Other streets in the area are named after Air Force Bases. Several names of other Air Force Bases that are not in conflict with other street names in Pennington County are; Edwards, Langley, Nellis, Tyndall, and McGuire. E-911 has been contacted and these names are suitable for street names.

STAFF RECOMMENDATION: Staff recommends the Planning Commission name of that portion of Eglin Street north of the railroad to Edwards Street.
