TO Whom This may concern?

My name is Robert Dorem. My wife, Rebecca Dorem and I are trying our best to bring in to Rapid City a custom retail meat market. Where we can sell beef, pork, buffalo and a variety of fresh and smoked sausage. This business will be used for processing the meat. We understand that a special use permit is required and will do everything that is required. We are respectfully requesting your permission for this permit. Please respond as soon as possible.
