Aerial Fiber Optic Cable Proposal

Summary

- Request is to connect building 1 and building 2 with aerial fiber-optic cable utilizing existing alley-located Black Hills Power poles and cabling paths.
- Building 1:
725 Fifth Street
- Building 2:
519-525 Kansas City Street

Pole Locations

- Red arrows indicate the locations of the three poles to be attached. (As seen from 5th Street at Building 1.)
