

11-6-19 SDCL Review for Humane Society of the Black Hills  
Submitted Friday, February 9, 2007

We are asking permission to host a walking event on the bike path, Saturday, May 5 2007 from 7:00 AM – 2:00 PM. This would be a fundraising event for the Humane Society of the Black Hills. Participants will be asked to make a pledged donation to participate, and donated prizes will be awarded. Our hope is to have 150 participants, 50 volunteers, and 10 vendors. One of our vendors will be a licensed food vending company.

We would like to have people park in the Roosevelt Swim Center parking lot and then proceed to the bike path where we will walk 1.5 miles to the east and then return to the swim center following the same section of bike path. All animals must be accompanied by their owner, and we intended to obey all leash laws and clean-up ordinances. We are locating at the Swim center so that we can use their public access restrooms.

The vendors will be located to the <sup>North</sup> east of the building. We will position them by ~~measuring 90 ft from the South East Corner of the East side of the building. This 90 ft measurement will then become the point of measurement for the location of the remaining tents.~~ <sup>MOR 2-9</sup> Each vendor will be allowed a 10 x 10 ft space. We will have 2 rows of 5 spaces (2 rows of 10 x 50 ft) with a 15 ft. walkway between. For a total area of 35 x 50 ft or 1750 square ft.
