To Whom It May Concern:

I am making application for 11-6-19 SDCL Review to have a Daktronics 2'2" x 7'7" 3200 Series LED Message Center sign installed at Valley View Elementary for the purposes of informing our students, parents and community of events that are taking place at Valley View.

The proposed sign will be purchased from and installed by Rosenbaum's Signs to the front face of our school (south side) just to west of our main entrance at the approximate height of 12' from the ground. See attached elevation and photo for location.

Attached find the necessary information, the application, legal description, etc. Thank you for your assistance in this matter. If you require further information please contact me at the above number or e-mail me at [Wayne.Rosby@k12.sd.us](mailto:Wayne.Rosby@k12.sd.us).

Sincerely,

A handwritten signature in cursive script that reads "Wayne Rosby".
