application for an Amendment to the Comprehensive Plan to change the land use designation from Light Industrial to General Commercial (07CA018) has been submitted in conjunction with the Rezoning for the subject property.

STAFF REVIEW:

Staff has reviewed this proposed rezoning for conformance with the four criteria for review of zoning map amendments established in Section 17.54.040(D)(1). A summary of Staff findings are outlined below:

1. *The proposed amendments shall be necessary because of substantially changed or changing conditions of the area and districts affected or in the City in general.*

The subject property has been annexed into the City limits and temporarily placed in a No Use Zoning District. The annexation of the property constitutes the changing condition requiring rezoning of the property. This street right-of-way known as South Valley Drive contains approximately 0.68 acres and is located south of SD Highway 44 East and north of E. St. Patrick Street.

2. *The proposed zoning is consistent with the intent and purposes of this ordinance.*

General Commercial Zoning Districts are located to the east and west of the subject property. The extension of the General Commercial District appears to be appropriate and consistent with the intent and purpose of the Zoning Ordinance.

3. *The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.*

The subject property is located in an area that is developing as a General Commercial area. Staff is not aware of any significant adverse effects that would result from rezoning the subject property from No Use District to General Commercial District.

4. *The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street Plan, Land Use Plan, and Community Facilities Plan.*

The subject property is identified on the Comprehensive Plan as appropriate for Light Industrial. An application for an Amendment to the Comprehensive Plan to change the land use designation from Light Industrial to General Commercial (07CA018) has been submitted in conjunction with the Rezoning for the subject property. Rezoning the subject property from No Use District to General Commercial District appears to be appropriate.

As of this writing, the required sign has not been posted on the property and the certified mailing has not been sent.

No. 07RZ031 - Rezoning from No Use District to General Commercial District ITEM 27

Staff recommends that the Rezoning from No Use District to General Commercial District be denied without prejudice, to allow staff to revise the legal description to include the street right-of-way north of E. St. Andrew Street. South Valley Drive from the railroad right-of-way to E. St. Patrick Street was annexed into the City. The portion of South Valley Drive from E. St. Andrew Street north to the railroad was inadvertently left out of this application.
