to E St. Andrew Street and General Commercial District from E St. Andrew Street to E St. Patrick Street. The property located east of the subject property is zoned General Commercial District by Pennington County. An application for an Amendment to the Comprehensive Plan to change the land use designation from General Agriculture to General Commercial (07CA022) has been submitted in conjunction with the Rezoning for the subject property.

STAFF REVIEW:

Staff has reviewed this proposed rezoning for conformance with the four criteria for review of zoning map amendments established in Section 17.54.040(D)(1). A summary of Staff findings are outlined below:

1. *The proposed amendments shall be necessary because of substantially changed or changing conditions of the area and districts affected or in the City in general.*

The subject property has been annexed into the City limits and temporarily placed in a No Use Zoning District (#04AN011). The annexation of the property constitutes the changing condition requiring rezoning of the property. This street right-of-way known as South Valley Drive contains approximately 0.64 acres and is located south of SD Highway 44 East and north of E. St. Patrick Street.

2. *The proposed zoning is consistent with the intent and purposes of this ordinance.*

The General Commercial Zoning District is for personal and business services and the general retail business of the City. General Commercial Zoning Districts are located to the east and west of the subject property. The extension of the General Commercial District appears to be appropriate and consistent with the intent and purpose of the Zoning Ordinance.

3. *The proposed amendment will not adversely affect any other part of the City, nor shall any direct or indirect adverse effects result from such an amendment.*

The subject property is located in an area that is developing as a General Commercial area. Sewer and water services are located on and adjacent to the subject property. Staff is not aware of any significant adverse effects that would result from rezoning the subject property from No Use District to General Commercial District.

4. *The proposed amendments shall be consistent with and not conflict with the Development Plan of Rapid City including any of its elements, Major Street Plan, Land Use Plan, and Community Facilities Plan.*

The subject property is identified on the Adopted Comprehensive Plan as appropriate for General Agriculture. An application for an Amendment to the Comprehensive Plan to change the land use designation from General Agriculture to General Commercial (#07CA022) has been submitted in conjunction with this rezoning application. If the

Amendment is approved, the rezoning will be compatible with the land use plan. Rezoning the subject property from No Use District to General Commercial District appears to be appropriate.

As of this writing, the required sign has been posted on the property but the receipts from the certified mailing have not been returned. Staff will notify the Planning Commission at the June 7, 2007 Planning Commission meeting if this requirement has not been met. Staff has received no inquiries or objections regarding the proposed request at the time of this writing. Staff recommends that the Rezoning from No Use District to General Commercial District be approved.

Staff recommends that the Rezoning from No Use District to General Commercial District be approved in conjunction with the Comprehensive Plan Amendment.
