I am asking for permission to put up a tent in Canyon Lake Park for our wedding ceremony on July 7th, 2007. We have the park reserved for about 4 hours from 1:00 pm to 5:00 pm and would have the tent for that amount of time only. The tent size is 20' x 40' and around 14' tall. Once we say our vows the tent will come down and the reception is being held elsewhere. We will leave the park in perfect condition before we leave. Thank you for your consideration.
