RE: Cabela's – Text Amendment consideration for a Dog Run and Horse Corral

Dear Marcia:

Pursuant to our discussions, please accept this letter on behalf of Cabela's for consideration of a land-use text amendment allowing for a "Dog run and Horse corral" at the future Cabela's Mall Drive location.

The Dog kennel and Horse corral screened and designated area is for a non-overnight transitory use. The facilities are for non-commercial temporary use by Cabela's customers, and are provided as a convenience. There is no overnight boarding of dogs or horses, and the facilities are cleaned and maintained by Cabela's employees.

We are gathering photos of similar facilities in other jurisdictions for your review.

Please feel free to call if you have any questions or would like to discuss.

Thank you,
