Please find this proposal to furnish and install signs at the Car Wash at Bendt Drive and Catron Boulevard.  
Sign to be a pole style with a Logo sign and a Readerboard Sign as discussed.

The logo sign will sign will be a 5' x 12' Double Face Inner-Illuminated sign with Custom Graphics as decided.

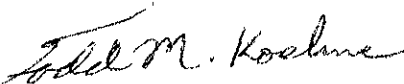

The readerboard sign will be an Inner-Illuminated Sign as above with track and changeable letters to be changed manually. It will be 6' x 8' with track and 300 changeable letters.

300 letter and number font kit for above sign with a 12' changer arm.

10" x 30' standard wall pipe for pole sign will cost approximately  
Concrete for the 3' x 8' caisson will approximately  
B & B Foundations will charge approximately to drill the caisson.

We trust this proposal is acceptable and look forward to working together on this project.  
Not Included: Taxes, Permits, Locates and Primary Electric  
50% Deposit, Balance Upon Completion

Sincerely,

Todd M. Koehne

Please find this material description list for the signs at the Car Wash at Bendt Drive and Catron Boulevard. The pole will be a 10" steel pipe. The caisson will be a 3' x 8' deep round hole with concrete holding the pole. The sign cabinets will be steel construction with sheet metal skins. They will have lexan faces decorated with custom graphics as per artwork. The signs will be internally lit with fluorescent lighting.

Sincerely,

Todd M. Koehne
