develop the property in phases.

The applicant is requesting to construct a four foot by eight foot sign, a bench approximately five foot long, install pavers in an area 16 feet by 16 feet and construct a split rail fence approximately four feet high around the pavers.

Current zoning of the subject property is Flood Hazard District. A park is located on the property currently located on the subject property and is a permitted use in a Flood Hazard District.

South Dakota Codified Law 11-6-19 states: Whenever any such municipal council shall have adopted the comprehensive plan of the municipality or any part thereof, then and thenceforth, no street, park, or other public way, ground, place, space, no public building or structure, no public utility, whether publicly or privately owned, if covered by the comprehensive plan or any adopted part thereof, shall be constructed or authorized in the municipality or within its subdivision jurisdiction as defined in § 11- 6-26, until and unless the location and extent thereof shall have been submitted to and approved by the Planning Commission.

The property is a park and the property is identified as being located within the area covered by the Rapid City Comprehensive Plan requiring that the improvements be reviewed and approved by the Rapid City Planning Commission.

Staff is recommending that the SDCL 11-6-19 Review be continued to the August 23, 2007 Planning Commission Meeting to allow the applicant to submit a complete site plan for review.
