

Proposed and Intended Use

The Marble Club was founded in 1993 at 2315 ½ Mt. Rushmore Rd., Rapid City, South Dakota, 57701. The building we are currently in has been sold to Casa Del Ray. Therefore we need to move our business.

We will be conducting business as Raxx Billiards instead of The Marble Club. The Marble Club doesn't really indicate the type of business we are in so we're changing the name to promote the type of business we offer to the public.

We currently hold a Beer and Malt Beverage On-off Sale License which is attached to a Video Lottery License.

Plans are to drop the Video Lottery and maybe reapply at a later date. Current plan is to utilize only the Malt Beverage On-Off Sale License which we are applying for. Just a note we are Tam Certified.

Raxx Billiards will be mainly used for recreation. Offering limited Food Service which included items such as Pizza, Basket Foods, Fries etc. We use a Quick & Krispy Hot Air Oven. This method of cooking actually heats the food to serving temperature without the need for a grease fryer. All food is purchased pre-cooked and frozen and is heated prior to serving. Fountain Drinks will be offered, Pepsi, Diet Pepsi. etc. along with various juices, Sobe, Gatorade. We have a Restaurant License and are ServSafe Certified.

Raxx Billiards will be hosting several Pool League Teams and Dart Teams. Tournaments for local and regional pool players. The Marble Club currently Sponsors 11 Pool Teams during the week and 1 Dart team. Plans are to hold a Travelling League which will host up to 12 Teams on one Weekend day of the Month.
