RE: 07TP030 - Amendment #08-001 to the 2008-2012 Transportation Improvement Program for the intersection of Sheridan Lake Road and West Main Street.

Attached for your review and approval is Amendment #8-001 to the 2008-2012 Transportation Improvement Program. This amendment is to increase the funding by \$50,000 for South Dakota Department of Transportation project PH 1771(13). This project will upgrade the traffic signals, pavement markings, address Americans with Disabilities Act compliance, preliminary engineering, and Right-of-Way incidental and acquisition costs for the intersection of Sheridan Lake Road and W. Main Street. The revised project cost is a result of increases for the acquisition of right-of-way.
