STAFF REVIEW: The adopted Comprehensive Plan is a framework within which development and rezoning proposals are measured and evaluated. The plan is intended to guide the orderly growth of the community. In order for the plans to remain viable and to keep pace with a changing market place, periodic adjustments to reflect changing conditions will be required.

The Future Land Use Committee is scheduled to consider this request on November 29, 2007. As such, staff recommends that the Amendment to the Adopted Comprehensive Plan to change the land use designation from General Agriculture to General Commercial be continued to the December 6, 2007 Planning Commission Meeting to allow the Future Land Use Committee to meet on the requested Amendment.
