Re: Proposing New Library Sign

The Rapid City Public Library would like to propose a new Library Sign. The Existing sign is located on 6<sup>th</sup> Street & Quincy and is in need of Replacement, The proposed location of the new sign is at 7<sup>th</sup> Street & Quincy, located at the new front entrance. If allowable, the Library would like to incorporate digital signage in with the new sign (see photo)  
Option one: Place digital sign in new sign  
Option two: Place digital sign up on exterior wall of 2<sup>nd</sup> floor
