No. 08PL030 - Preliminary Plat

ITEM 14

RECOMMENDATION:

Staff recommends that the Preliminary Plat be continued to the April 24, 2008 Planning Commission meeting with the applicant's concurrence to allow outstanding issues to be addressed.

GENERAL COMMENTS:

The applicant has submitted a Preliminary Plat to create 54 lots. In addition, the applicant has submitted a Variance to the Subdivision Regulations (File #08SV014) to waive the requirement to install curb, gutter, sidewalk and street light conduit along Sweetbriar Street as it abuts the property.

The property is located east of Timmons Boulevard, south of Neel Street and west of Big Sky Drive. Currently, the property is void of any structural development.

STAFF REVIEW:

On April 1, 2008, staff met with the applicant to discuss the proposed design and service boundaries of the sanitary sewer system for the development since the southern portion of the property is located within the Rapid Valley Sanitary District service area and the northern portion of the property is located within the City of Rapid City's service area. Staff is recommending that the Preliminary Plat be continued to the April 24, 2008 Planning Commission meeting with the applicant's concurrence to allow the service area issue to be addressed.
